A primary part of all New York City neighborhoods is the commercial or business district. By organizing, merchants can positively impact the economic development of entire neighborhoods.

Merchant Associations start with business owners coming together to discuss how their area could be improved, identifying issues and opportunities that could impact their business districts. Forward thinking business owners understand the benefits of joining with their fellow merchants to develop special promotions or projects designed to benefit the entire commercial strip, as well as the surrounding community.

Member Application Instructions

Complete the attached application by filling out your business and owner contact information. It is in your best interest to write in your business description in the space provided on the form. If you are offering any discounts or promotions to existing members, please be as detailed as possible.

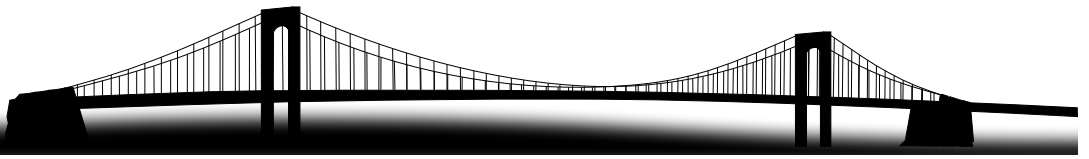

If you are paying by check, send the application and the check, payable to TNMA to:

Throggs Neck Merchants Association
P.O. Box 508
Bronx, NY 10465

You can also pay online on our website at <http://www.throggsneckmerchants.com/payments.php> or make other arrangements by calling (646) 657-1312.

Please makes checks payable to: Throggs Neck Merchant Association

Note: To expedite getting your information on the website, you can send an email with your business name, contact info and description to info@throggsneckmerchants.com. You still need to complete and send in the membership application.
